REMARKS/ARGUMENTS

The Final Office Action mailed July 13, 2005 has been carefully considered. The Examiner's indication of the allowability of claims 21-29 is noted with thanks. Claim 31 has been rewritten in independent form (i.e. claim 30 has been amended to include the limitations of claim 30). Reconsideration and allowance of the subject application, as amended, are respectfully requested. No new matter has been added to the subject application as a result of the changes made thereto.

Accordingly, since Applicant has amended claim 30 to include the limitations of allowed claim 31, no specific discussion of the Examiner's art rejections, vis-à-vis Applicant's invention of independent claim 30, is believed necessary. Thus, it is respectfully submitted that all currently pending claims are allowable over the art of record. Thus, early allowance is earnestly solicited.

In the event the Examiner deems personal contact desirable in disposition of this application, the Examiner is respectfully requested to call the undersigned attorney at (603) 668-6560. In the event any additional fees are payable, please charge them to our Deposit Account No. 50-2121.

Respectfully submitted,
